

FROM THE DESK OF
WILLIE L. JORDAN
PRESIDENT

May 2010

Dear Friend,

Moms and kids shouldn't have to eat in the street on Mother's Day. Nor should anyone else.

But a lot of them will this year. Some will eat alone in repulsive, dangerous alleys, perhaps after scavenging through Skid Row dumpsters.

So this year I'd like to do something very special for the mothers on Skid Row. **I'd like to invite them and their children to be your special guests at our dining room tables throughout Mother's Week.**

We will honor the struggles of impoverished mothers during Mother's Week -- **Chapel services, counseling and prayer** for mothers; fresh flowers and personal hygiene gifts to help ease the pain of their daily hardships; child care for their little ones; Mother's Make-Overs will pamper them with shampoos, hair styles, manicures from volunteer professionals, and **special hot meals in our dining room.**

Without your help, these young mothers will face more days of anxiety about how they will feed their children. And more nights of unimaginable fear as they seek shelter from the dangers that stalk the streets of this asphalt jungle known as Skid Row.

Yet, with your prayers -- and with your gift of \$25, \$50, \$100, or whatever is right for you, all this can change.

We can do this because caring people like you give to help us buy the **food. That's our greatest need.**

And because we'll buy the food in bulk, every gift will be stretched to care for as many mothers and children as we possibly can.

We feed hundreds every day throughout the year. But I need your special help this Mother's Week. Just send your best gift in the enclosed envelope.

Your friend and co-worker,

A handwritten signature in cursive script that reads 'Willie L. Jordan'.
